Dear Sir:

Amendment and Response
To United States Patent and Trademark Office
Examiner's Action Under 37 C.F.R. § 1.111

I. Introduction

Applicants' *Amendment and Response* is to an United States Patent and Trademark Office Examiner's Action ("Action") mailed September 13, 2005. In the Action, the Examiner set a shortened statutory period for response of three (3) months, *i.e.*, until December 13, 2005. With the filing of this Response, Applicants have also filed a Petition for an Extension of Time of one month (to January 13, 2006) to file the *Amendment and Response*. Accordingly, the filing of Applicants' *Amendment and Response* on January 13, 2006, with a Certificate of Mailing under 37 C.F.R. § 1.8 is timely.

The Action is a final Action. Accordingly, Applicants are also filing concurrently with the *Amendment and Response* a *Request for Continued Examination* with the fee set forth in 37 C.F.R. § 1.17(e). Under 37 C.F.R. § 1.114(d), [I]f an applicant timely files a submission [*Request for Continued Examination*] and fee set forth in § 1.17(e), the Office will withdraw the finality of any Office Action and the submission will be entered and considered." For that reason, Applicants' *Amendment and Response* has been identified above as to a non-final Action.
